

## Data sheet

**Item number** 5055100;5095.20

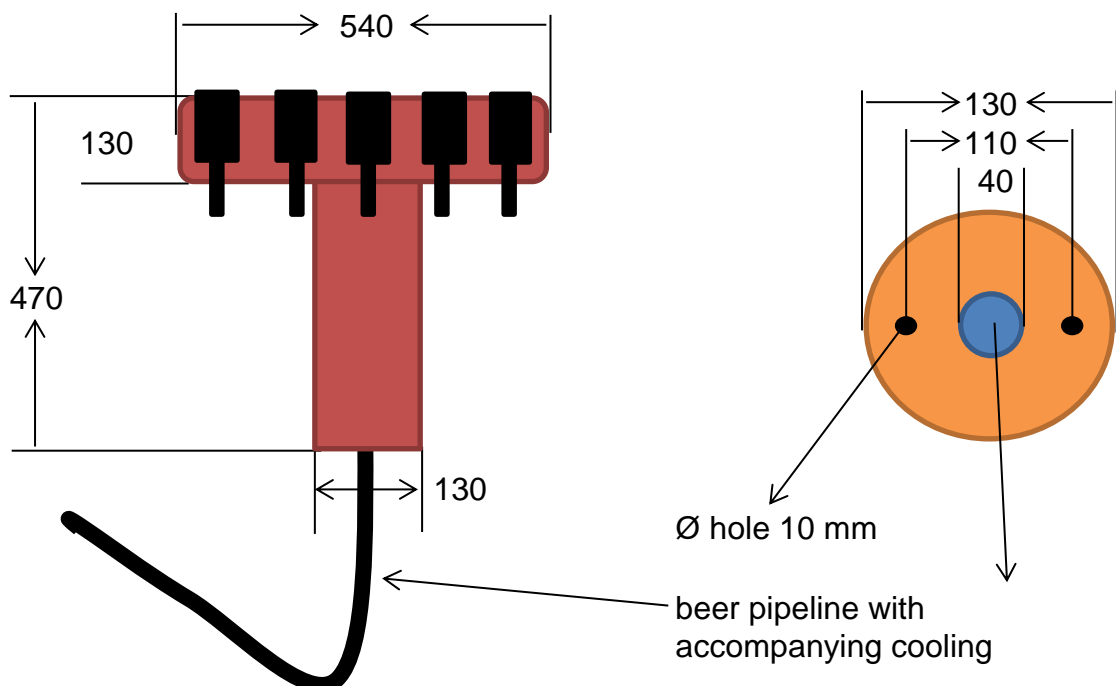

**Description** postmix draught pipe stainless steel round  $\varnothing$  130 mm  
4 x ostmix 1 x mineral water

### Technical data

**Measure** H 475, W 540,  $\varnothing$  130 in mm

**Colour** stainless steel brushed

**Weight** 10 kg

### Miscellaneous

postmix draught pipe equipped with 4 x soft drinks and 1 x soda water accompanying cooling. A magnet valve controls the taps inside the draught system. In the tower a lower volt transformer is integrated thus we need on the draught a 230 Volt connection.
