

## Data sheet

**Item number** 5055102;5095.21

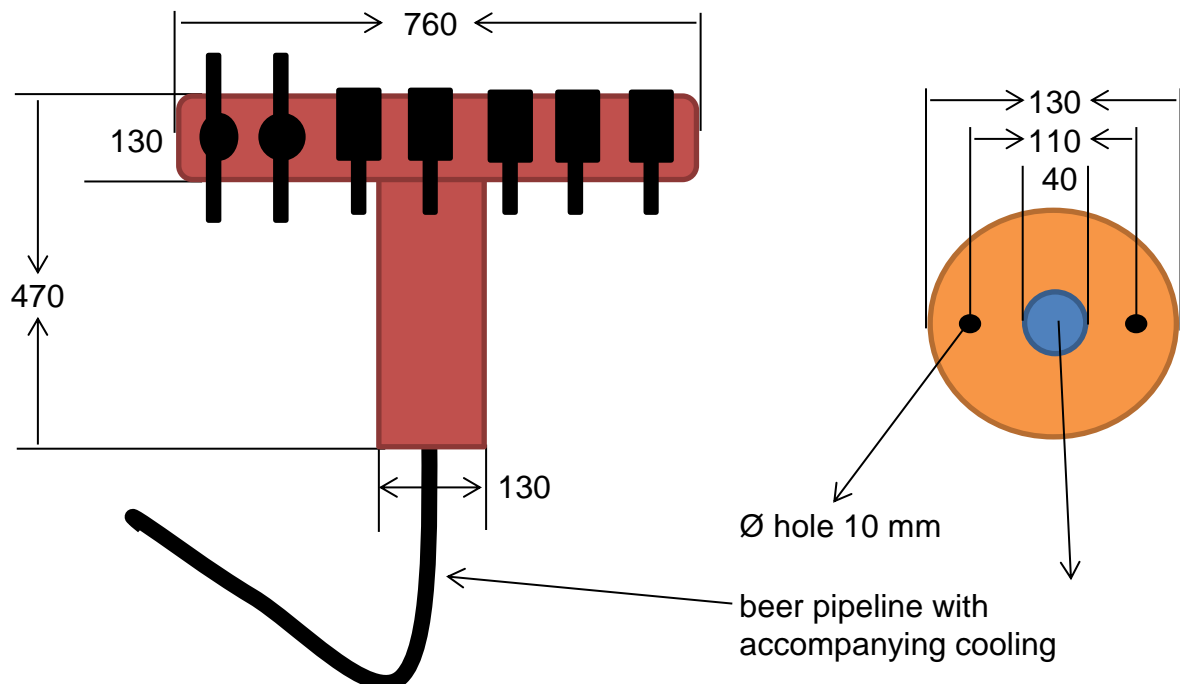

**Description** postmix draught pipe stainless steel round  $\varnothing$  130 mm  
4 x postmix 1 x mineral water 2 x beer

### Technical data

**Measure** H 520, W 760,  $\varnothing$  130 in mm

**Colour** stainless steel brushed

**Weight** 12 kg

### Miscellaneous

postmix draught pipe equipped with 4 x soft drinks and 1 x soda water and 2x beer accompanying cooling. A magnet valve controls the taps inside the draught system. In the tower a lower volt transformer is integrated thus we need on the draught a 230 Volt connection.
